Good News Club Leaders,

Greetings from Camp Good News. We wanted to share with you 2 big things that you need to know for 2019.

GNC Camperships

This year will be a bit different in the following ways:

1. There is no GNC specific week. Clubbers can sign up for any of the weeks that fits their age.
2. Camp Good News is again offering weeks of camp for Good News Clubs at a discounted rate of \$250 per camper.
3. The \$250 will be sent to Camp Good News from the Club/CEF Chapter.
4. When the clubbers register, they will not be required to pay (but, they must use a Promo Code).
5. I will be creating postcards with directions on how to register and the Promo Code. Just let me know how many camperships you will be paying for and I will send that number of postcards to you.
6. You probably also have a pretty good idea who will earn these camperships so you can let me know what weeks/spaces I need to save for your clubbers. (if you don't let me know, I cannot guarantee space for your clubbers)
7. Clubbers must register by May 1st or the saved space will be opened up to others.
8. To earn a Campership, Clubbers must meet the following requirements to be eligible (obviously you will only be able to give out the number of camperships that you have money to pay for, so the following criteria does not guarantee a campership, but instead makes them eligible to possibly be awarded one)
 - ages 7-11 years old
 - attend every club of GNC for the Spring semester
 - Memorize each of the Bible verses for GNC this Spring semester plus these 3 extra verses: Romans 1:20, Matthew 5:13-14, Isaiah 55:9
 - Be an active part of ONE of these: Truthchasers Club, Daily Devotions, or Quiet Time Sheets
9. Once you have awarded the campership, you need to let me know the names of the clubbers who have earned them. That way when I see the name come through registration, I will know that they are using the promo code correctly. (email or text with the name(s) works great!)

Good News Extravaganza

- A few of the staff of Camp Good News would love to come to your club for a special Fun Club.
- Why? We feel this would be a great way for you to add some clubbers by advertising this special event at your school and hopefully see some new faces when we show up! As well, this works as a great marketing tool for us to let clubbers know a small sampling of the fun things you can do by attending a week of Camp!
- The best part of this is that's it's FREE! (donations gladly accepted though especially if we need to travel long distances and possibly stay overnight in a hotel)
- Make sure to give us plenty of time to schedule. We get pretty busy in the Spring time, so there will be several dates that we may not be able to do.
- On the next 2 pages is a list of all the different things we currently offer (although my crazy mind is always coming up with new stuff, so if you don't see something you like, just ask!).

Hope all that was easily understandable. If you have any questions about Summer Camp or to schedule a Good News Extravaganza, give Chris a call!
